

## BEACH CHIC

For hot summer looks, Beth Dadswell selects this cool capsule collection

Stick to a simple but bold palette of red, white and black. Add a touch of glamour with gold and tan accessories and some big Jackie O-style shades. For the ultimate in movie-star chic, treat yourself to a beautiful kaftan or wrap from fabulous new beachwear label Tallulah & Hope. Then finish the look with a dash of luxurious bright-red lipstick. ♦
